Weight difference for ADULT

5KG or more weight difference is applicable to all weight categories apart from MEN 90KG and over where it is 8KG or more difference

Protective equipment

Compulsory

Men groin guard

Women Shin and instep pads, , Women Breast protector Cup only into sport bra (no female protector with padding between or around the cup will be allowed)

Optional Mouth Guard (compulsory if teeth are wired).

Please read all rules prior to the event.

Warnings

1. Chui private warning
2. Chui Ichi official warning
3. Genten Ichi first penalty
4. Genten Ni second penalty
5. Genten San third penalty (Shikkaku)

If a competitor has a Waza Ari and also a Genten Ni penalty then the bout content will be judged to obtain a decision.

If the bout is equal and a competitor has a Genten Ni warning in any round and their opponent does not have any official warning (Chui Ichi) or Penalty (Genten). Then the competitor without official warning will be declared the winner on Hantei.

All official warnings and penalties will not be carried over to the next bout following a Hikiwake decision. Only Chui (private warnings) will be carried over.
